safety

We take all necessary precautions to safeguard you and our staff. We follow recommended guidelines with regard to sterilisation of instruments and the use of disposable items, e.g. gloves and needles. We are happy to answer any questions you may have.

accessibility

We are able to offer disabled access to our practice via a temporary external ramp. Patients are able to obtain treatment by their own dentist and that of a hygienist on the ground floor. Please make us aware if you require a ramp facility for your dental appointment.

parking

Parking is available on the street directly outside the practice on North Bridge Street, free of charge and in the car park on Mart Street near Morrisons supermarket.

interpretation services

Information about interpretation for services is available upon request.

quality assurance scheme

North Bridge Dental adheres to the General Dental Council's Standards for Dental Professionals.

freedom of information

The practice has adopted the Information for Scotland's Model Publication Scheme 2014. A guide to the information is available from the practice upon request.

our practice

We are a mixed practice providing private dental care for our adult patients in addition to NHS care for children in full time education up to the age of 19.

emergencies

In the case of an emergency, please contact the practice as early as possible in the day to secure an emergency appointment. If you require emergency treatment outside surgery hours, please telephone the practice where you will hear a message detailing the specific arrangements for that day.

emergency out of hours advice

The practice is a member of the Borders Emergency Dentists Scheme (BEDS) Out of hours support is available by phoning **NHS 24 on 111**

If treatment is deemed necessary, it will be delivered at Borders General Hospital under NHS terms and conditions. All North Bridge Dental Practice Members can access this service.

NHS information and helpline

NHS dental helpline Weekdays 8.30am – 6pm **0845 300 0930**

You may be exempt from NHS dental charges if you:

- Are pregnant
- Have had a baby in the last 12 months
- Get income support or certain other benefits.

If you do not qualify for NHS exemptions you will be expected to pay NHS dental charges for any necessary treatment provided. You can pay with cash, cheque or debit/credit card directly after your appointment.

Our Dental Care Plans

welcome to north bridge dental

Firstly we would like to thank you for choosing our practice.

At North Bridge Dental we provide high quality treatment in a friendly environment. We are committed to continuing dental education and keeping abreast of the changes in modern dentistry. Clients have the reassurance that they are receiving top quality treatment using the latest techniques and products available on the market.

Our modern health promoting approach means that we encourage preventative techniques and can help you to understand how to maintain the health of your mouth and keep it free of tooth decay and gum disease. That's why we are proud to present our own Dental Care Plans – which enable us to provide you with a package of treatment and support that's right for you. As well as keeping your mouth healthy we can also provide you with greater choice and more attractive teeth at a reduced cost.

We hope our Dental Plans are of interest to you and look forward to having the opportunity to explain the considerable benefits to you in person.

Yours, Ian McInnes

Principal Dentist

introducing our dental care plans

Here at North Bridge Dental we believe that the best way of making dental treatment affordable, without compromising our high quality of care, is to offer you membership of our own Dental Care Plans which provide you with a superb range of benefits and care in cost effective monthly packages.

benefits of membership

Our dental memberships rewards and looks after our patients who visit the practice regularly. Just look at what you can gain from becoming a member.

discounts

- 20% discount on any laboratory-based treatments required, i.e. crowns, bridges and dentures.
- 20% discount on any fillings.
- 20% discount on many other treatments (extractions, etc).
- 20% discount on additional hygiene care.
- 10% discount on oral hygiene products purchased at the practice.

insurance

- Worldwide Dental Trauma Insurance to protect against the cost of large unforeseen accidental damage.
- Emergency Callout Insurance should you need a dentist in an emergency, anywhere in the world.
- Redundancy protection for your monthly payments for up to 12 months (not included in the Registration and Insurance Scheme).

Full details can be found in the Keyfacts document available from our Front Desk Team.

and there's more...

- Assessment of emergencies and dental pain with any temporary treatment required, carried out at the practice during normal surgery hours.
- All treatment planning for your future dental needs.

finance facilities

Finance facilities are available at the practice. We will be pleased to discuss the details with you.

how do I register for a north bridge dental plan?

Please speak to any member of the team if you would like more information or for details on how to register.

your dentist will recommend a plan that's right for you

We believe in helping you to maintain your oral health, whilst enabling you to spread the cost of your routine dental care. That's why we have introduced our own dental membership options to ensure healthy teeth and gums for life.

Make great savings on your dental care with our Dental Plans.
